Movie Making Activity:

Books Alive!

Objective: Work in pairs (or with an intern/instructor) to bring a book to life by developing a movie for your favorite children's book. The book must follow close to the actual story of the book; however, some alterations are allowed!

Procedure:

- Write down book ideas on the Book Idea Sheet. Together, decide on which book to make a movie about.
- Complete the Storyboard Sheet to plan out the scenes/script for the book.
- Start filming scenes and editing for the book

Rubric/Criteria:

- The book must follow close to the actual story of the book; however, some alterations are allowed!
- Reviewing will be based on the above and fluidity of the movie.
